

Details for Amy

MIC:

- If you have an over-the-ear model, that's awesome!
- A lapel mic is my next favorite option.

RECORDING:

- If you are doing a video or audio recording, I'd love to have a copy. If not, no worries!
- If you would like to distribute the recording/video to other women in your church, you're welcome to do so. Please ask them not to distribute outside the church.

STAGE SET-UP:

- I like to have a light podium set off-center to the right and angled, or a music stand works great too.
- I like to have a tiny table or stool near the podium where I can access extra books and materials easily.
- If there's water being served at the event, I can just grab a glass, but I'd love to have a bottle of water if it isn't easily available.

FOR THE BOOK TABLE:

- Please have 1-2 trustworthy volunteers who will be comfortable with a register technology on my phone.
- Please send me the password for your event location's wireless internet before the event. Thanks so much!
- A 6+ ft. table with a table cloth is great. I'll organize the books. :)
- Please locate the table where the women will be coming and going. I'll be there to meet them and talk, so it's great to have it in the traffic flow.

I hope this is helpful. Thank you for all you're doing to make this event amazing!!
