

Details for Amy

MIC:

My preferences in order are over-the-ear, lapel, handheld. It's always great to have "Plan A" and a "Plan B" options, and I'm happy to work with what's available to you.

RECORDING:

If you are already planning to video the event, I would love to have a copy. If not, no worries!

If you would like to distribute the recording/video to others in your church, you're welcome to do so. Please post with settings that make outside distribution difficult. I know it's impossible to restrict distribution completely, but let's work together to protect the event you paid to host.

STAGE SETUP:

Please provide water, a light podium or music stand for my notes, and a small table (or music stand) for my Bible and any resources I'm sharing. I like to move around, so less is more. :)

BOOK TABLE:

Please choose 1-2 trustworthy volunteers who are comfortable with using technology/their phones.

A 6 ft. or longer table with a table cloth is all I need. I'll arrive early enough to unpack and arrange the books. :)

Please locate the table in a well-lit area where the women are coming and going. I'll be there to meet them and talk, so it's great to have it in the traffic flow.

I hope this information is helpful. Please don't hesitate to reach out to me with questions.

Thank you for all you're doing to make this event amazing!
