

Amy Carroll is gathering a community of people with tender hearts and strong voices. She's an international speaker and the author of [\*Breaking Up with Perfect\*](#), [\*Exhale\*](#), and [\*Esther\*](#). She also coaches other speakers and writers at [Next Step Coaching Services](#), a business she started to help others tell their God-given story.

Amy and her husband live in lovely Holly Springs, NC where you can find her on any given day texting her adult kids, typing away at her computer, or scheming up one more alternative to cooking dinner. You can find all the details about her ministry at [amycarroll.org](http://amycarroll.org).
