

A Prayer FOR BIBLICAL BOUNDARIES

Lord, reveal today's mission, Your assignment for me. Show me...

Where to go.

Who to see.

What to say.

Lord, expose what's in my day that You didn't put there. Tell me...

How I'm overworking.

When I'm overscheduling.

What expectations I've unnecessarily shouldered.

Lord, give me the confidence to say "yes" when...

You've called me to be with You.

You've challenged me to stretch further.

You've assigned me to one You love.

Lord, give me the strength and kindness to say "no" when...

My desires push out your call.

My schedule prohibits Your work.

My rush crushes Your rest.

Amen.
